D. HILL NURSERY COMPANY

Since 1855

SPRING OF 1950

The heaviest demand in years has depleted our Evergreen Stock to the point where our regular Wholesale Catalogue is obsolete. This list contains all of the Evergreens available at this time, and we suggest, that you indicate your requirements on the order blank enclosed at the earliest possible date, in order to avoid disappointment later. The return envelope requires no postage.

To supplement this list with suitable pictures, we are offering our 1950 Evergreen Brochure. This 48 page booklet, containing 69 full color prints, will be mailed to you post paid for \$1.00. It should be noted that this excellent aid to your selling efforts will justify its nominal cost with the very first sale.

Evergreen Specialists . . . Largest Growers in America
